

MOLOKANS TO LEAVE HAWAII LANDED ARMS FOR REBELS

CLAIM FAIRCHILD DISCHARGED THEM

LARGE DETACHMENT OF RUSSIANS ARRIVE THIS MORNING FROM KAUAI AND DECLARE THAT THEY WANT TO GO BACK TO CALIFORNIA—ASSERT THAT ALL OF THEIR CROWD ON KAUAI ARE THROUGH WITH THESE ISLANDS.

Thirty-four Molokans, men, women and children, arrived this morning from Kauai aboard the steamer W. G. Hall. They say that they are through with the Hawaiian Islands and they want to go back to California. They came, they say, in hopes of finding J. B. Castle, who had promised them, according to their claims, transportation back to San Francisco. They wanted him to give them that return transportation. When informed that Mr. Castle had left last evening for San Francisco, they expressed considerable chagrin.

The crowd that arrived today claim to have no funds at all and say that they are going to try and get the local government to help them or else they will try to work to get money enough to leave Honolulu. One thing is certain from the statements made by one of their number, John Koorhato, who could speak English, the Molokans will not reside any longer in these islands. They declare that they will stay here only long enough to earn money to enable them to get away from the country. They also claim that Manager Fairchild of Makee Sugar Company plantation abrogated their three-year contract and refused to give them any more employment after June 1.

It was stated in other sources that the crowd that arrived today were members of one faction while the other

MEANS THOUSANDS TO THE PLANTATIONS

IT IS SAID THAT THE BILL PERMITTING THE MANUFACTURE OF DENATURED ALCOHOL WITHOUT THE PAYMENT OF THE INTERNAL REVENUE TAX WILL ENABLE HAWAIIAN PLANTATIONS TO MAKE A SAVING OF THOUSANDS IN THEIR FUEL BILLS.

"The denatured alcohol act is one of the best things for Hawaii that ever happened," said a plantation manager when he heard that the president had signed the bill making it a law.

"In the one item of fuel alone it will make a difference of thousands of dollars. Every plantation produces considerable quantities of molasses, which are now turned into the irrigating ditches to be used as a fertilizer. This molasses, if distilled into alcohol, would furnish a large part of the fuel needed on the plantation, and at a great saving over the present cost of oil or coal. The cost of distilling alcohol is comparatively slight. The great item of cost in alcohol in the past has been the internal revenue of ninety cents a gallon or such a matter. Alcohol from the molasses of the sugar mills can be produced at a great deal less price

than gasoline costs, and it beats gasoline as a fuel."

Honolulu Plantation, which because it refines its own sugar produces a larger amount of molasses than any other, it is believed can produce enough denatured alcohol to reduce its fuel bills very materially. It is said that it is possible to make a saving in fuel by the substitution of denatured alcohol of thousands and thousands of dollars on such a plantation as Ewa or Oahu where there is considerable pumping done.

One of the elements to be considered, if it shall be decided that the manufacture of denatured alcohol would be a good thing for the plantations, would be to determine whether there should be one or a few central distilleries for the distillation of the molasses of all of the plantations, or whether there should be a distillery as a part of the plant of each plantation.

KAMS WIN FROM MAILES

Innings	1	2	3	4	5	6	7	8	9
Mailes	1	0	0	0	0	0	0	0	0
Kams	1	0	0	2	0	0	0	0	0

The Mailes and the Kams were the contestants in the first base ball game this afternoon. A big crowd gathered in anticipation of a good game. The teams' batting order for the game was as follows:

Mailes—Lo On 2b; Carey, 3b; A. Bruns, lf; Fenner, 1b; Jonah, cf; Boyle, c; Ah May, ss; De Fries, p; Chillingworth, rf.

Kams—Lota, 1b; Sheldon, ss; Lemmon, lf; Jones, c; Miller 2b; Reuter, p; Plunkett, rf; Kaanui, cf; Kalpo, 3b.

FIRST INNING.

The Kams took the field and Lo On went to the bat for the Mailes. Lo On hit to shortstop and was thrown out at first, making way for Carey, who opened the ball with a safe hit to center field. Bruns took the next chance and followed suit. He got safe to first. The first baseman got the ball and threw to second when it was missed. Carey got to third and Bruns to second.

Fenner hit to first and first baseman tried to put out Carey at home, but failed. Carey scored the first run. Bruns got to third, Fenner was put out while trying to steal second. Jonah took the bat. He walked to first and Boyle took the bat.

Jonah stole second. A moment later Jonah wrecked for Boyle knocked a

MADE AN ISSUE OF MOLOKANS

THE MAKEE SUGAR COMPANY GOT ASSESSMENT REDUCTION OF \$550,000.

The Molokai difficulty was one of the propositions brought forward by the Makee Sugar Company in its appeal from an assessment of \$1,600,000, which has been compromised on Kauai by acceptance of a valuation of \$1,250,000. The company claimed that the presence of the Molokans meant that it would lose a lot of lands in the near future and also that the scarcity of labor in view of the Molokans' refusal to work, would prevent planting on certain lands this season.

The case was to have been tried before the tax appeal court of Kauai yesterday, but the company's figures being \$600,000 less than those of the assessor. An agreement was reached without a trial, however, and Deputy Attorney General Milverton, who went to try the case, returned to Honolulu this morning.

BONINE TO HALEIWA

The hotel managers of the city, Messrs. Bow, Boyd, Gray and Hertsch, accompanied by Secretary Wood of the Promotion Committee and Mr. Bonine, representing the Edison Picture Company, were guests of Fred C. Smith of the Oahu Railway & Land Company yesterday at Haleiwa. The party left the city on a special train at 3:30 p. m. and went to Haleiwa where a most enjoyable time was had. The party returned to Honolulu at 6 p. m. by the special train.

The party was entertained at Haleiwa by St. Clair Biddood of the Haleiwa Hotel.

The Old Fan On The Game

I like on a Saturday afternoon To watch the ball teams play And persuade myself that I am not old And my locks are not yet gray: For it stirs the blood in an old man's heart And it makes his pulses fly To sit in the bleachers with the crowd And hear the umpire's cry.

I've walked the earth for four score years And they say that I am old And my heart is ripe for the reaper, Death. And my years are well nigh told, 'Tis very true but still I go To see the game each time For my old heart leaps at the sign of a ball And I half renew my prime.

Play ball, play ball: I am with you there In the midst of your merry ring I can feel the thrill of the daring slide And the rush as the batters swing. I breathless watch the pitcher swing His arm as he throws the ball, And as the umpire calls the strikes I whoop and shout and call.

I am willing to lie when my time shall come And I shall be glad to go: For the world at best is a dreary place And my pulse is getting low; But the grave is dark and the heart will fall On treading his gloomy way And it wiles my heart from its dreariness To watch the ball teams play.

HOLD JOBS FOR ONLY ONE TERM

HOW COUNTY OFFICERS MAY BE PREVENTED FROM CONSTRUCTING MACHINES.

"The legislature ought to pass a law prohibiting any person from holding a county office two terms in succession," said Frank Kruger, one of the members of the Republican central committee, this morning. "That would stop all the machines. Let every officer retire after he has had a term and run again for a later term, after an interval if he wants."

"The way it is now if a man gets in office he gets up a machine so that he can get in again and keep a clench on the office. The law ought to stop that."

Kruger is being talked of for the legislature, and may have a chance to propose his measure in the House.

EIGHT TO FOUR

The jury in the case of Bushlight against the Rapid Transit Company was discharged by Judge Lindsay this afternoon, being unable to agree upon a verdict. The jurors were eight to four in favor of the defendant. The suit was for \$15,000 damages for the killing of the son of plaintiff by a street car, and it was submitted to the jury yesterday afternoon. This morning at 9:30 the jurors reported that they could not agree, but Judge Lindsay sent them out to try again. E. C. Peters appeared for plaintiff and D. L. Withington for defendant.

SONOMA LATE SAILING.

The S. S. Sonoma was late sailing last night for the Colonies. She was delayed discharging 900 tons of freight for this port. She is entertained by an excursion to Oahu Plantation this afternoon.

LAW APPLIES TO INSULAR POSSESSIONS

JUDGE DOLE GIVES AN IMPORTANT RULING REGARDING APPLICATION OF CERTAIN CRIMINAL SECTIONS OF THE CHINESE EXCLUSION LAW TO HAWAII—WONG KOCK YEE AND OTHERS WILL HAVE TO STAND TRIAL FOR CONSPIRACY.

United States Judge Dole this morning gave a decision to the effect that the criminal statutes making it an offense to conspire to land a Chinese unlawfully in the United States apply to the matter of landing Chinese who are already in Hawaii, on the mainland. The point was raised in behalf of Wong Kock Yee and others, charged with conspiracy to land a Honolulu Chinese
